2:00 History	(Google Meets)	2:00 History	(Google Meets)
2:30 Math		2:30 Math	
3:30 Art		3:30 Art	

At-home learning days are flexible! Teachers will send home lessons to complete in the core subject areas (reading, writing, and math) and will be available for face-to-face support during office hours, or by email/phone throughout the day. Teachers will teach a full schedule for on-campus learning days. Fridays are for family connections – field trips, service days, or passion projects! Our UM campus will be invited to attend all field trips with the larger Hundred Acre community.
