### Tuition Aid

The Hundred Acre Foundation holds an annual fundraising event to provide scholarships for private school tuition. Their goal for the 2023-2024 school year is to provide 20, \$2000 scholarships to support families wishing to pursue private education for their child. *Funds for financial assistance are limited and dispersed based on financial need.* Students requesting financial assistance must be enrolled as a returning student or have a new student application in process at the time of applying for aid.

**Scholarships are awarded solely at the discretion of the Hundred Acre Foundation, which is a wholly separate business entity than The Hundred Acre Academy.**
